

Making Lean and Continuous Improvement Work: A Leaders Guide to Increasing Consistency and Getting Significantly More Done in Less Time

Author: Darren Walsh

₹2744 ISBN: 9781032794358

Despite the popularity of lean and continuous improvement around the world, most organisations and their leaders struggle to make improvement work.

Many are trying to cope with day-to-day business issues. They bury their heads in the work as they either give up on trying to improve or are floundering as they keep trying new initiatives to improve with little success.
