

# **Toyota's Improvement Thinking from the Inside: From Personal Transformation to Organizational Transformation**

**Author:** Sarah K. Womack

**₹3326      ISBN: 9781032881157**

This book helps close the gap in how organizations think about and implement Toyota's continuous improvement methods and management system. The Toyota Production System (TPS) is often viewed and adopted in organizations as a collection of tools to remove waste and streamline processes to provide products or services faster, better, or cheaper.
