

## Applied Chemistry

Author: Dr. Preeti S. Zade, Dr. Renu Wasu, Dr. Neeta Kapse

₹351

ISBN: 9788197628504

This text book of Applied Chemistry is designed to fulfil the requirements of latest syllabus for the First Year Engineering course on Applied Chemistry assigned credits-2 in Semester – I, common for all branches of engineering as per the revised syllabus of NEP 2020 Scheme of University of Mumbai.

1. The chapters are well written as per the revised syllabus of NEP 2020 Scheme of University of Mumbai.
2. The language of the book is simple which will help the students to understand the concept.
3. Wherever necessary the neat suitable diagrams and information tables are given.

### Contents | Preface |

**Module 1:** Fuels and Combustion

**Module 2:** Corrosion

**Module 3:** Alloys

**Module 4:** Introduction to Polymers

**Module 5:** Introduction to Composites

**Module 6:** Green Chemistry for Sustainable Development

Model Question Papers

### About the Author

**Dr. Preeti S. Zade** is currently working as an Associate Professor in the Department of General Engineering at Terna Engineering College, Navi Mumbai. She holds Ph.D. in Chemistry and has over 18 years of teaching experience.

**Dr. Renu Wasu (Sarode)** is an experienced Faculty of Chemistry. She has done her Master's Degree and Ph.D. in Chemistry. She is currently working as Assistant Professor at Lokmanya Tilak College of Engineering, Navi Mumbai.

**Dr. Neeta Kapse** is an Assistant Professor at MCTs Rajiv Gandhi Institute of Technology, Versova, Andheri (W), Mumbai. She has been teaching First Year Engineering students for the last 21 years. She is a passionate teacher and sensitive to her student's problem.
